

By June 30, 2024, the county clerks shall ensure that the portal contains;

- the following recorded instruments filed on or after June 30, 1994:
 - o Deeds;
 - o Mortgages;
 - o Fixture filings under the Uniform Commercial Code
 - o Plats of subdivided property
 - o All covenants, conditions, and restrictions that relate to real property;
 - o Easements;
 - o Leases or memorandum of leases;
 - o Powers of attorney;
 - o Land contracts;
 - o Wills, and
 - o Affidavits that affect or clarify the title to property.
- Child support liens filed on or after June 30, 2004
- The following instruments file on or after June 30, 2009:
 - o Judgement liens
 - o Recoupment and unemployment liens; and
 - o Lis pendens notices
- The following recorded instruments filed on or after June 30, 2019:
 - o Homeowner's association or condominium liens; and
 - o Bail bonds.

By June 30, 2026, the county clerks shall ensure that the portal contains the following recorded instruments filed on or after June 30, 1966, but before June 30, 1994:

- Deeds;
- Mortgages;
- Fixture filings under the Uniform Commercial Code
- Plats of subdivided property
- All covenants, conditions, and restrictions that relate to real property;
- Easements;
- Leases or memorandum of leases;
- Powers of attorney;
- Land contracts;
- Wills, and
- Affidavits that affect or clarify the title to property.

All fees charged by the county clerk for access to electronic copies of recorded instruments shall not exceed the actual cost of maintaining the portal.

Section 2:

Amends KRS 64.012 regarding the fees paid to the county clerks for services related to the permanent storage of the following records:

- \$33.00 for real or personal property, and any property for which a certificate of title has been issued, including but not limited to deeds and mortgages and

- itemized in KRS 64.012 (1)(a)1, \$3.00 for each additional page over 5, and \$4.00 for each additional reference;
- \$40.00 for plats, maps, and surveys, not exceeding 24 inches by 36 inches, per page;
 - \$26.50 for marriage license, indexing, recording, and issuing certificate thereof;
 - \$63.00 for filing and indexing a real estate mortgage, and \$3 for each additional page over 30.

Ten dollars (\$10) of the above fees shall not be paid to the fiscal court or the Finance and Administration Cabinet, but be accumulated and transferred to the fiscal court of the legislative body of a consolidated local government or an urban-county government on a monthly basis within ten days following the end of the month. The moneys shall be accounted for separately and not lapse to the general fund of the county, consolidated local government, or urban-county government, but be held in perpetuity and used exclusively for equipment, hardware, software, and personnel costs for the permanent storage and access to records. Claims by a county clerk that are for the preceding expenditures shall be paid by the county judge/executive or the chief executive officer of a consolidated local government or an urban-county government by a warrant drawn on the fund and co-signed by the treasurer of the county, consolidated local government, or urban-county government.

No later than July 1 of each year, a county fiscal court or legislative body of a consolidated local government or an urban-county government shall submit a report to the Legislative Research Commission detailing the receipts, expenditures, and any amount remaining in the fund.

Section 3:

Currently, the following taxes are paid to the county clerks:

- \$4.50 on each marriage license;
- \$4.00 on each power of attorney;
- \$4.00 on each mortgage, financing statement, or security agreement and on each notation of a security interest on a certificate of title;
- \$4.00 on each lien or conveyance of coal, oil, gas, or other mineral right or privilege.

One dollar of each of these taxes is earmarked for the Department of Libraries and Archives. SB 135 provides that 90% of these funds shall be set aside for grants to county clerks and distributed annually, except when there is insufficient grant applications to distribute the entire amount. In those cases, the Department of Libraries and Archive may grant those funds to other agencies.

Section 4:

Provides that for a county with a population of less than 70,000, the county clerk may be entitled an advancement to defray official expenses and to supplement the salaries of the county clerk or the clerk's deputies and assistants. On the first day of each month, the amount of the advance shall be determined by the Secretary of the Finance and

Administration Cabinet and shall be 1/12 of the total fees collected by the county clerk for the preceding year or \$60,000, whichever is less.

If a county clerk requests funds from the State Treasurer to defray official expenses, the clerk shall not be required to submit a statement of his or her personal assets and liabilities as a condition of the application process.

Since SB 135 provides for an appropriation, reimbursement of the \$10 fee (Section 2), and grants from the Department of Libraries and Archives (Section 3), **the fiscal impact of SB 135 on local governments is expected to be minimal.** For those reasons and a phase one implementation date of June 30, 2023, for allowing for the electronic filing of recorded instruments, **the Kentucky County Clerks Association supports SB 135.** Prior legislation required a January 1 implementation date.

Part III: Differences to Local Government Mandate Statement from Prior Versions

Part II refers to SB 135 as introduced. There are no prior versions of this bill.
